

BEFORE THE UTILITY DIVISION
DEPARTMENT OF PUBLIC SERVICE REGULATION
OF THE STATE OF MONTANA
PUBLIC SERVICE COMMISSION

IN THE MATTER OF THE APPLICATION) DOCKET NO. 6392
OF THE CITY OF SCOBEEY FOR AUTHORITY)
TO ADOPT INCREASED WATER RATES) DEFAULT ORDER NO. 4263

On July 30, 1975, CITY OF SCOBEEY petitioned the Montana Public Service Commission for an Order authorizing the applicant to increase its water rates in order to generate revenues for the operation, repair and improvement of its water system.

Having considered the petition and the documentation furnished by applicant in support of its petition and deeming itself fully advised in the premises, the Commission makes the following Findings of Fact and Conclusions of Law:

FINDINGS OF FACT

1. A notice of a proposed public hearing to be held, if requested, was published in the April 29, 1976, edition of the Daniels County Leader. The notice stated that if no requests for a public hearing were received by May 28, 1976, an appropriate order would be issued based upon evidence submitted with the application.

2. No requests for a hearing were received and no hearing was scheduled.

3. On April 5, 1976, the City Council of the City of Scobey unanimously adopted a resolution setting water rates at the proposed level.

4. In order to guarantee its ability to provide reasonably adequate service to residents, the City of Scobey needs additional revenues for the operation, repair and improvement of the water system, including emergency repairs of the water tower.
